

## A FAMOUS CONCERT SINGER AT THE YOUNG

Madame Fried-Griselda, an artiste of great reputation, who has been touring extensively throughout India, China and the Straits Settlements and Australia, has just arrived on the Sierra and is located at the Alexander Young hotel. Madame Griselda has been appearing in highly successful concerts throughout these countries and has also had the honor to sing in all the government houses, including H. E. The Viceroy and Lady Curzon, H. E. Lord Kitchener, and in all the palaces of the great Indian maharajahs, from whom she holds letters and credentials.

Madame Griselda is accompanied in her travels by her daughter and is breaking her voyage here before proceeding to the States on her American tour. If satisfactory arrangements can be made it is possible that Madame Griselda will appear here in concert.

MONDAY MORNING, AUGUST 22d.

## Annual Remnant Sale

What to do with remnants is a problem every large store has to face once a year.

From all parts of the store we have gathered up the short ends of ORGANDIES, LAWNS, BATISTES, DIMITIES, GINGHAMS, ZEPHYRS, CHAMBRAYS, VIOLES, ETAMINES, FLANNELTES, WOOLEN DRESS GOODS of all kinds, SILKS, SILK MULLS, SHEETING, DENIMS, SILK-OLINES, CRETONNES, CURTAIN-SWISS, TABLE LINENS.

And in fact all odds and ends which may have accumulated in the past year.

Prices scarcely matter. Anything that will sell the goods is the right price. Sometimes it is 10c. for stuff originally 65c., but never mind that!

Early comers of course get first selection, so just remember that the sale begins at 9 o'clock Monday morning.

### Eyes Examined

There is no calling where accuracy and skill are more in demand than that of the optician. One familiar with the construction of the eye knows that there are many eye-defects which can not be accurately estimated or corrected by the use of test letters and cards alone.

For this reason we use, in our eye examinations, the several different methods that long experience has taught us bring best results.

## How Are You Fixed for Keeping Food Fresh and Pure?

If you want a real good refrigerator—one that has been tested and not found wanting, we do not hesitate to recommend the "Leonard cleanable Refrigerator".

Refrigerators that are damp and allow food to become mouldy give lodgement to germs.

A microbe hasn't a chance to live in a "Leonard". It is dry, safe and reliable because it is made on the most scientific principles of refrigeration. It has eight walls, porcelain lined, air tight doors and its perfect air circulation will not permit the different articles of food to taste of each other.

When you see it you will instantly recognize its superiority over other refrigerators.
